Dear Parents/Carers,

As a school we constantly have reviews of our policies and procedures to ensure that everyone in the school community is safe. At All Souls' we have a diverse community and with serving more than 250 children, as you can imagine, we have many allergies and dietary requirements between the children and staff members.

Due to this we would like to ask for your co-operation in that **no** sweets or treats are brought into school to share with the class when it is your child's birthday. We will ensure that your child has a nice birthday in school and they of course are still allowed to wear their own clothes to celebrate their special day!

Can I also ask that you have a little reminder to your children about health and hygiene with regards to toilets. We have spoken on many occasions with the children about keeping **their** toilets clean. We have had occasions of children locking the doors and crawling out underneath them. They know that this is not acceptable but it also poses a hygiene risk as toilet floors are not always the most clean!

Many thanks for your continued support,

Mrs Ransley
