Headteacher: Mrs Ransley
Deputy Headteachers: Mrs Wakeling and Mrs Walker

22nd June 2021

Dear Parents and Carers,

You would have noticed that we have recently put up parking signs to encourage the safe parking around the school site, however, we still have safety concerns around the top of our road (Stanley Road) and Baker Road. These two roads still present challenges at school drop off and pick up times, including:

- unsafe parking on or around the crossing area
- parking on the double yellow lines
- the speed at which some cars travel (Stanley Road and Baker Road are both 20mph).

Just this morning there was a near miss, involving a car and a child from All Souls' School.

We understand that there are limited parking spaces outside the school. We urge you to use the available parking spaces further down Stanley Road, rather than trying to park directly outside on the double yellow lines. By doing this you will help to ensure our children are safer and stop potential accidents happening.

Mrs Eyles is currently in communication with KCC, we are hoping to have school zig zag lines in place from these conversations, this will further ensure the safety of our children, parents, staff and local community.

If you do not use a car to transport your child(ren) to school, please ensure you supervise them, particularly in the area outside school.

If your child is at All Souls' School and walks to school unsupervised, please remind them of road safety.

Thank you for your co-operation with this.

Kind regards

The SLT Team
