Dear Parents/Carers,

The children have all been busy with their new learning this week. It has been lovely to have a look at some of their books and seeing how hard they are trying. I have seen some excellent topic work in Year 5 and 6. Year 1 and 2 have completed some great work with their superhero topic! Keep up the good work children!

As we move into the winter months, it is going to be wetter and colder. Can I please remind everyone that your children should not be at school until the allotted times, unless they have a sibling in school. We do not want children waiting for long periods outside now the weather has changed. Can I also ask that you are mindful of others when waiting at the end of the day? Government guidelines are still stating that we should not be gathering in groups with different households and that adults should still be distancing ourselves from each other. Please be mindful of others when queuing at the end of the day.

Teachers are looking forward to speaking to as many of you for parent's evening before the end of term. It is sad that we cannot meet you all in person but a telephone conversation is the next best thing! Get signed up for a slot, we hope to speak to as many of you as possible.

Have a happy weekend!

Kind regards, Mrs Ransley

## Flu Immunisation

**Monday 9<sup>th</sup> November 2020**

The nasal flu vaccination is being offered to all children at this school on Monday 9<sup>th</sup> November 2020. A letter has been emailed to all parents/carers.

The online consent portal is available at <https://www.kentcht.nhs.uk/forms/imms-consent-form/> until 6<sup>th</sup> November 2020. Don't forget to record your consent or refusal for your child's FLU vaccine. Please use the school URN number (146950) to access the form.

A link to the consent form, copy of the letter, information leaflet, video and contact details are all available on our school website.

If your child is going home with someone else, you can write this in your child's liaison book. This is seen by their class teacher and saves you time in calling the school office.

## Time to Reflect

Thank you so much all of you who have generously given to this year's Harvest collection!

## Breakfast Club

Breakfast Club runs from 7.45am and children enter through the playground gates. From Monday, the gates will close at 8am so children arriving after this can arrive through the main reception. Thank you.

Folkestone Rugby Club are looking for players U7's to U17's. For further details, please contact them.

## Joke of the Week

What do you call a snail on a boat?

A snailer!

Elissa in Orcas class auditioned to become a member of The Canterbury Choral Society Youth Choir and has been accepted. An amazing achievement Elissa, we are all very proud of you and wish you the best of luck when you perform next week.

Eden in Turtles class has done amazingly well achieving lots of wonderful medals for dance and finishing with being a named ambassador for a dancewear firm. Eden also placed as a Princess in a mini pageant, just missing out as Queen by 1 point.

Here is a photo of Eden with all of her awards! Eden has had lots of fun with even more exciting times coming up including another pageant and possibly an audition for a West End show. Wow, well done Eden and thank you for sharing your medals with us. We wish you all the best of luck for your upcoming events.
