## SCHOOL NEWS AND INFORMATION

We want to give a very special shout-out to one of our amazing parents, Lauren Hart, for transforming our school reading room into a magical world of colour and imagination.

The wonderful book characters have brought the space to life and created a place where our children can truly get lost in their love of reading. Your time, talent and generosity mean so much to our school community. Thank you for helping us make reading an adventure for every child!

## Consent

### Parental Consents

We found that several children were unable to have their photographs taken on World Book Day due to missing consents on the MCAS App.

To avoid disappointment in the future, please could you log into your MCAS App and check that your consents for social media and website photographs are up to date. If you are happy for your child to be photographed and appear on these, please could you grant consent on your app and let the School Office know of this change.

### SEND Parent Survey

### SEND Parents

You will have received information this week regarding the support currently in place for your child/children. I would be grateful if you could take a few moments to complete this short questionnaire by 14<sup>th</sup> March. Thank you.

### Red Nose Day - Friday 20 March

We're excited to support Red Nose Day on Friday 20 March! To celebrate, we're inviting all students to come into school with their craziest, wackiest hair styles. Bright colours, wild shapes, and imaginative designs are all welcome!

To help raise money for this fantastic cause, we are suggesting a £1 voluntary donation.

Thank you for helping us make a difference-while having plenty of fun along the way!

### Inside Out Day - Friday 27<sup>th</sup> March

This term, across the school the children will be learning about the Zones of Regulation, a framework that helps them recognise and manage their emotions. The Zones use four colours to represent different feelings and levels of alertness, giving pupils simple tools to understand their emotional state and choose helpful strategies. On Inside Out Day, students are invited to come to school dressed in a way that represents how they feel or how they understand emotions. Parents and carers might like to ask their children which Zone they've been in today and what strategies they are learning to use. Let's keep the conversation going at home as well as in school! Please see information leaflet attached with this newsletter for full information.

## WORLD BOOK DAY

### Dress a Potato Competition!

Children were told yesterday about our 'Dress a Potato as your Favourite Book Character' competition. As part of our reading celebrations, children are invited to transform a potato into a character from any book they love. Entries are due by Friday 13<sup>th</sup> March.

A huge well done to everyone for their brilliant World Book Day costumes! The effort, creativity, and imagination was fantastic!
