Children's Mental Health Week 6th-12th February 2023 - Dress to Express

As a school community, we will be encouraging all students and staff to use clothing and colour to express themselves on Friday 10th February 2023. . A donation of £1 is optional but we feel it is more important to raise awareness of Children's mental health, raising money along the way would be an added bonus. If you would like to donate please bring your money with you on the day.

Please see the attached information on how parents/carers can support children's mental health week in the home next week and get those conversations flowing.
