Medication

A gentle reminder for all parents/carers.

Should your child require prescribed medication we would encourage you to schedule medication so doses are not required during the school day. However, if your child does need medication during school hours, please note we have to follow the guidelines below:

A form must be completed. Please speak to the office. Please do not give medication to your child to hand in.

Only prescription medication can be in school.

Medication must be issued by the doctor and be in its original container, labelled with your child's name.

Well Done

In December, Kai received his SILVER AWARD which was presented by the curator of the Folkestone Museum for the 'Wheels of Time' scheme. He's visited 20 museums around Kent so far! He now wants to visit the tiny prison in Britain's smallest town!

Time to reflect

We have been reflecting on our Christmas experiences and what we have been thankful for. We have learnt about the meaning of Epiphany.
