Welcome back to a brand new school year. All of the staff are excited to begin new learning with the children! The children have all settled back into school well and it is great to see so many keen children arriving at the gate at 8.20am ready for school. Our new start time is 8.30am and from next week the gate will be shut at that time. Please ensure that you are here on time. Attendance is vital for good progress and achievement and we will be inviting you in this year to support if we feel that attendance is not meeting the requirements that is expected of school.

Could I also politely ask that you are mindful when parking outside at drop off and collection times. The hump in the road outside school is used for crossing and so should not be parked on. The yellow lines also mean that you cannot stop and wait. It is a very busy road and we want to keep your children safe. No one wants a child hurt so I urge you to be mindful.

It is with great sadness that we have learnt of the passing of Queen Elizabeth 11 this week. This is the end of the longest reign in our history and a life of service to our country. We have celebrated the Queen's life in Worship this morning and we will be thinking about the wonderful things she has achieved throughout her time as Queen throughout the coming days, during the period of mourning.

I wish you all a peaceful weekend.

Mrs Ransley

Secondary school places - Kent County Council

We welcomed our new reception class and their families to school this week.

They have settled in very well and have enjoyed their first week at school.

Well done, Ladybirds!

Please remember, if your child brings a packed lunch to school, we are a nut free school so please do not bring any food containing nuts, this includes Nutella spread.
