

Revising Word Classes Week 1.

For each of the word classes below, write a definition. Under the definition, write a sentence that includes an underlined example of your word class. Remember, the word class is the 'job' a word does in a sentence!

For example.

Noun

A noun is a naming word: it is a person, place, thing or feeling.

A large cat ran across the floor.

Your turn:

1. Adjective
2. Verb
3. Adverb
4. Preposition
5. Determiner
6. Co-ordinating conjunction
7. Subordinating conjunction

Challenge:

Write a sentence, and name the word class of every word.
