

# Sporting Success

Edition 2

After School Clubs  
Term 1 and Term 2

There will be NO after school clubs running for Term 1 and 2.  
We have many exciting clubs lined up for all children from Foundation through to Year 6!  
We will advise you on how to book these once we are able to begin running clubs safely again.

Thank you for your patience and understanding.

## New Playground Equipment!

We have recently purchased lots of new outdoor equipment for you to use during your morning and lunch playtimes!

These will be kept in your Phase bubbles and will be your responsibility to collect up at the end of each playtime - otherwise they might end up in another bubble's bag!

Why not show your Teacher how responsible you are and ask to be the playtime bag monitor!

## Write to a Sporting Star!

England Triathlete Claire Danson was recently injured and left Paralysed.

After intense recovery, she is learning how to use her body differently and compete in Paralympic style sports.

You can find out more about her here:

Mrs Harvey is able to contact Claire and she would love to receive any messages of support or letters of questions you may have for her.

If you want to write a letter or make a card please give it to Mrs Harvey by Friday 9<sup>th</sup> October 2020 and she will send them onto Claire for a response!

## PE fact of the week!

The first sport as we know it today was most likely wrestling, and it originated in Greece in 776BC.
