

Geography: We will be...

Talking about the weather daily, and identifying weather patterns during the seasons of Autumn and Winter.

Maths: We will be:

Recognising, Counting and comparing numbers.

Addition and Subtraction.

Problem Solving together.

Music: We will be...

Listening carefully to music used in many different celebrations.

D.T: We will be: Making different cards for celebrations that we will be learning about.

We will use different tools to help measure, mark and cut.

Computing: We will be:

Using the iPads to draw and write with. Using multimedia for our learning.

History: We will be...

Finding out about Guy Fawkes as a significant person from the past and sequence the events that happened in the correct order.

Science: We will be...

Learning about growing and changing humans. We will look at how we change as we grow and what we need to do to keep us healthy.

English/Drama: We will be ...

Reading and discussing different poems about fireworks and Bonfire Night. We will perform our favourite poems to our friends and write our own Firework poems.

P.E We will be.. Moving our bodies to music and linking actions together to create dances in small groups.

Celebrations!
