

# All Souls' Home PE Resources

At All Souls' we work closely with the Shepway Sports Trust who provide a wealth of inclusive sporting activities for all of our children.

They currently have a new Facebook group—'The Shepway Shark Shakers' which is available for anyone to join. They will be uploading new content regularly to keep you moving at home. Don't forget to have help from an adult when using the internet and Social Media!

# All Souls' Home PE Resources

Below are links to resources you can use at home to keep active and support your Physical Education!

Remember, it is important to keep yourself as active as possible, it helps us to learn better as well as keeping our minds and bodies healthy!

We should all be aiming to move for 60 minutes a day, it does not have to be all in one go, you can always do short 10minute bursts at a time!

Send in any great photos of you being active, even if it is with the family pet!
