

Year 1 English Activities

This week we would like you to read the information we have provided about Mary Anning to find out as much as you can about her. Use the circle map template to make notes of what you find out (Grown ups—this is like a mind map idea we use in school.)

Once you have your information, we would like you to pretend to be Mary Anning for the day!

We would like you to tell us what happens in your day, what did you do? Use all your new facts to make your writing interesting!

You can choose how you want to record this. You may want to do a diary entry, a poster, a flipbook with sentences. You could even pretend to be a News reporter and ask a grown up to film you telling the news!

We have given you some example templates on the website, but, feel free to take this task whichever way you would like!

We hope you enjoy a day in the life of Mary Anning!
