

Year 2 Maths Wednesday 22nd April 2020

Snail Shapes!

LO: To be able to identify and name 3D shapes.

Year 2s! A special delivery arrived today! It was an envelope labelled 'TOP SECRET!' We opened it very carefully and inside was a handwritten note! It told us that the Shape Stealers were after even more shapes! It turns out there are 3D shapes as well as 2D shapes and the Shape Stealers need them all to finish building their LEGO fortress! We need your help again! This time., we need you to turn your spy glass over and hunt through your house and garden again, this time looking for just 3D shapes!

Before you begin the hunt, look at these resources to help you identify which shapes you are looking out for!

<https://www.bbc.co.uk/bitesize/topics/zjv39j6>

<https://www.twinkl.co.uk/resource/t-n-106-3d-shape-word-mat>

<https://www.twinkl.co.uk/resource/t-n-2315-name-the-3d-shape-year-2-powerpoint-quiz>

Record the 3D shapes that you find in your home learning book, make sure those naughty Shape Stealers don't see what you are up to!
