

Year 2 Maths Friday 24th April 2020

Snail Shapes!

LO: To revise properties of 2D and 3D shapes.

Today Detectives, you have one final shape mission!

You must choose one of these challenges to have a go at and record your findings in your home-learning book!

Which mission will you choose?

Good Luck Detectives, we know you will be great!

make a model using 3D shapes

investigate which shapes roll

make a pattern using shapes
