

# Year 2 Literacy - Friday 24th April 2020

## Adventure Story Writing

LO: To edit and review writing.

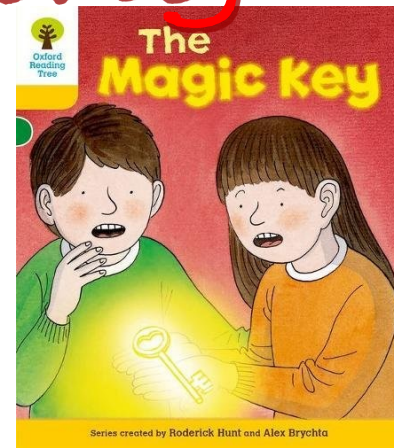

Well done for all of your fabulous story writing this week year 2s!

All Amazing Authors check their writing carefully. This is what we would like you to do today.

Look through this PowerPoint to give you some ideas: [Checking my writing](#)

Go through your story carefully with a grown up. Does it all make sense? Does your beginning, middle and end flow well? Have you got correct punctuation and finger spaces throughout? Have you challenged yourself by using conjunctions and different sentence starters in your writing?

We look forward to reading all of your adventures soon!

### Amazing Adventure Author's Steps to Success!

- correct punctuation—capital letters, finger spaces, full stops, commas, exclamation marks
- good sentence structure—read your work out loud, does it make sense?
- interesting adjectives—make sure your reader is gripped!
- check your spellings—have you used your sounds to help you?
