

Year 1 Maths Home Learning

10.9.21

This week, we have been practising our number formation to 20.

We would like you to keep rehearsing it at home so we are ready to move on with our exciting learning on Monday using our new skills!

Here are some ideas of ways you can practise making your numbers!

Use a bingo dabber to dab the shape!

Make numbers using pasta!

Use chalk to write your numbers!

Find numbers in your home and trace over them!
