

Mighty Metals

History

I know what local history is.

I know how to describe changes overtime.

I know how to begin to make links with other periods I have studied.

Geography

I know how to identify and locate cities within the UK.

I know how to make simple comparisons between features of different places.

I know how to ask geographical questions.

Art

I know how to mould and shape materials.

I know how to discuss my own work and work of other sculptors.

I know how to review and reflect on my work.

D.T

I know how to plan a healthy meal to a set criteria.

I know how to cook and prepare some food.

Music

I know how to play and perform in solo and ensemble contexts.

I know how to play an instrument with increasing accuracy and fluency.

I know how to compose simple compositions using the notes I have learnt.

Computing

I know ways to stay safe online.

I know sensible e safety rules for the classroom.

P.E

I know how to perform dance using range of movement patterns.

I know how to respond to a variety of stimuli and explore different ways to move to them.

I know how to create a clear beginning, middle and end to my routine using stillness and symmetry.

Mighty Metals

Science

I know that a force is required to make something move.	
I know how objects move on different materials.	
I know which materials are magnetic.	
I know how to measure the strength of a magnet in different ways.	
I know how to carry out an investigation comparing the strength of different magnets.	
I know that magnets have two poles.	
I know that magnets attract and repel each other
