This week we have been adding three 1 digit numbers and using our knowledge of number bonds to 10. We have really impressed Mrs Andrews!

Add three 1-digit numbers

1 What addition is shown?

$$\square + \square + \square = \square$$

2 Complete the additions.

$$6 + 7 + 3 = \square$$

$$6 + 3 + 7 = \square$$

$$7 + 3 + 6 = \square$$

Which was the easiest?

Talk about it with a partner.
