

Year 1 Maths Home Learning

This week we have been comparing numbers within 20 using the language: greater than, less than and equal to as well as using the symbols for these words.

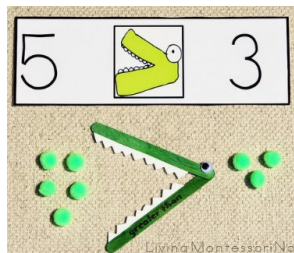

greater than

equal to

less than

Make your own greater than, less than and equal to crocodiles at home using lolly sticks, straws or even paper or card.

Use your homemade symbols to compare numbers around your home e.g.

Now try these:

Draw the correct symbol to compare the numbers.
