

Year 1 Maths Home Learning

Practise counting forwards from 1-30 and backwards from 30-1.

This week we have been using our knowledge of subtracting numbers within 10 to help us subtract ones within 20. We have also been subtracting by counting back.

Can you solve these subtraction problems using your knowledge of subtraction within 10? Use drawings to show your understanding.

$$6 - 4 = 2$$

$$5 - 3 = 2$$

$$9 - 4 = 5$$

$$16 - 4 =$$

$$15 - 3 =$$

$$19 - 4 =$$

$$3 - 2 = 1$$

$$7 - 4 = 3$$

$$8 - 4 = 4$$

$$13 - 2 =$$

$$17 - 4 =$$

$$18 - 4 =$$

Can you solve these subtraction problems by counting back?

$$15 - 4$$

$$13 - 2 =$$

$$16 - 5$$
