

Year 1 Maths Home Learning

We have been learning about 2D shapes. We have been spotting 2D shapes in our environment. We know that 2D shapes are flat, which means you can't hold them or pick them up!

Which 2D shapes can you spot in these pictures?

Write how many of each shape you can see.

Have a go at these 2D shape challenges.

Which shape is the odd one out in each group?

Is there more than one answer?

How have the shapes been sorted?

Draw one more shape in each group.
