

## Year 1 Maths Home Learning

This week we have been representing numbers to 50 and partitioning our numbers into tens and ones using part whole models.

Have a go at completing these part whole models. One has been done for you. Use these stem sentences to talk about the numbers you have made. One part is \_\_\_\_\_, one part is \_\_\_\_\_, the whole is \_\_\_\_\_.

One part is 40, one part is 7, the whole is 47.

Practise counting forwards and backwards to 50. Can you count in steps of 2 to 50? Can you write your numbers to 50?
