

## 26.05.23 Year 2 Maths — This week we have been looking at many different graphs. Can you answer all the questions?

### Statistics

B

Name \_\_\_\_\_

- 1 Sam draws a tally chart to show the hair colour of the children in her class.

Hair colour	Tally	Number
brown		12
blonde		
black		7
ginger		4

How many children have blonde hair?

1 mark

Complete the tally chart to show the children with brown hair.

1 mark

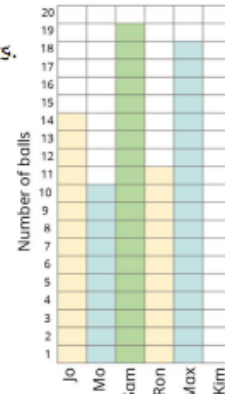

How many children are in Sam's class?

1 mark

- 2 The children in class 2 have a competition. They count how many balls go through a hoop in 1 minute.

Here are the results.

Kim gets 12 balls through the hoop. Show this on the block diagram.

1 mark

Who gets the least balls through the hoop?

1 mark

How many more balls does Sam get through than Jo?

1 mark

- 3 The pictogram shows how children travel to school in year 2

Transport	Number of children
car	
cycle	
bus	
walk	

Each  represents 5 children.

How many children cycle to school?

1 mark

How many more children travel by bus than walk?

1 mark

How many children are there in year 2 altogether?

1 mark

- 4 The pictogram shows how many eggs some hens laid each day.

Day	Number of eggs
Monday	
Tuesday	
Wednesday	
Thursday	
Friday	

Each  represents 2 eggs.

How many eggs were laid on Wednesday?

1 mark

On Thursday, the hens lay 6 eggs. On Friday the hens lay one more egg than they did on Thursday.

Complete the pictogram.

2 marks

Remember to look at the key!
