

Year 1 Maths Home Learning

This week we have been learning about British coins and notes. We are beginning to identify many of these coins and can talk about their value. Continue to explore real coins at home and talk about them with a grown up. Can you go to the shops with some money and pay for items using different coins or notes?

1 a) Point to the 50 pence coin.

b) Point to the 1 pound coin.

c) Point to the 5 pence coin.

1 How much money is there in each row of coins?

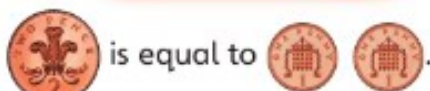

3

A 2 pence coin has the same value as two 1 pence coins.

CHALLENGE

a) How many 1 pence coins are each of these coins worth?

b) Which coin has the greater value?

I think the 2 pence coin is worth more because it is bigger.

I am not sure that works for all the coins.

3

Mia has 15 pence.

All her coins are the same.

Which of these coins could she have?

Explain your answer.

CHALLENGE

Practise writing numbers to 100 at home
