

07.07.23 Year 2 Maths — This week Year 2 have tried really hard with some more problem solving. This week at home, show your grown up how to find a missing number using the 100 square.

1	2	3	4	5	6	7	8	9	10
11	12	13	14	15	16	17	18	19	20
21	22	23	24	25	26	27	28	29	30
31	32	33	34	35	36	37	38	39	40
41	42	43	44	45	46	47	48	49	50
51	52	53	54	55	56	57	58	59	60
61	62	63	64	65	66	67	68	69	70
71	72	73	74	75	76	77	78	79	80
81	82	83	84	85	86	87	88	89	90
91	92	93	94	95	96	97	98	99	100

$44 + \square = 79$	$57 - \square = 20$
$22 + \square = 46$	$78 - \square = 32$
$65 + \square = 80$	$39 - \square = 10$
$11 + \square = 58$	$63 - \square = 14$
$30 + \square = 64$	$89 - \square = 47$
$50 + \square = 90$	$92 - \square = 54$
