

Reception Home Learning

The children have done a fantastic job of settling into school and have enjoyed having their lunch here this week.

For home learning, we would like the children to practise using a knife and fork at home to eat their meals. Take a look below for some top tips!

- *Sit upright in your chair
- *Chair tucked comfortably under the table
- *Feet touching the floor
- *Knife and fork facing forward
- *Hold your knife and fork with your pointy index finger on top to help control them when you are cutting

Take photos of your child practising at home and bring them into school to show us if you can!

More skills to practise at home!

- *Practise putting your jumper on and taking it off
- *Practise toileting skills at home, including washing hands properly
- *Practise recognising and writing your name
- *Talk about using tools safely, including scissors
- *Play some turn taking games at home with someone in your

In a couple of weeks time your child will be coming home with a home learning grid with some fun and exciting challenges to complete at home over the term!

Please remember to name all of your child's clothes, bags and bottles so that we can ensure they come back to you at the end of the day. :)
