

Year 1 Maths Home Learning Challenge

Friday 15th September 2023

This week we have been revising our mathematical skills of counting on, counting back, finding one more and finding one less. Try out the following activities at home and record in your home learning book.

Activity 1:

Write the numbers one less than and one more than the number shown.

<input type="text"/>	12	<input type="text"/>
<input type="text"/>	8	<input type="text"/>
<input type="text"/>	14	<input type="text"/>
<input type="text"/>	18	<input type="text"/>
<input type="text"/>	10	<input type="text"/>

Page

Activity 2: Print out and cut out the number cards below or make your own set of number cards. Now find a friend to play with.

Turn the cards over so they are face down. Take turns to turn over 2 cards. If they show 2 numbers that are one more and one less than each other then keep them. If not turn them over and continue the game. The player with the most cards wins the game.
