Friday 15th September

Partition numbers to 100.

Make	Count	Part-Whole Model	Complete
	64		There are 6 tens. There are 4 ones.
			There are ___ tens. There are ___ ones.
			There are ___ tens. There are ___ ones.
			There are ___ tens. There are ___ ones.

We have been learning how to partition a number using the part-whole model.

Have a go at the examples above.

Can you make your own part-whole model questions? Leave out a part or don't write the whole. Test them out on your grown ups!
