

Wriggle and Crawl!

Science (Collins: Our changing world/ What's in your habitat?)

I know and can compare a range of habitats inc forest, ocean, polar and desert.

I know how to name things that are living, once lived and never lived.

I know how to sequence plants and animals in a food chain.

I know how to identify ways in which living things are suited to their habitat.

I know the different stages in the life-cycles of a frog and butterfly.

Geography

I know the seasonal changes linked to Spring.

I know where different habitats can be found around our planet.

I know how to share my fieldwork.

I know the physical features of my local park.

Art

I know how to use rolling, cutting, moulding and carving techniques.

I know how to use a range of materials to sculpt. (plasticine/ clay)

I know how to use a range of shapes, lines and textures.

PSHE (Jigsaw-relationships)

I know why it is important to share and co-operate.

I know some of the things that cause conflict between myself and my friends.

Music

I know how to explore instruments loudly and quietly.

I know how to use symbols to play my instrument to.

Computing

I know how to write an algorithm.

I know how to program and debug a Bee-Bot to follow my algorithm.

P.E

I know how to hit and bowl a ball underarm.

I know fielding positions.
