

Towers, Tunnels and Turrets

Science Animal Antics and Looking at Animals	
I know how to compare animal bodies and identify mammals, amphibians, birds, fish and reptiles.	
I know how use a simple key to identify and classify different animals.	
I know which animals are carnivores, herbivores or omnivores and which animals are nocturnal or diurnal.	
History	
I know that castles were built as a means of defence and can identify their main features.	
I know how to use sources to ask and answer historical questions.	
I know how to make comparisons between life now and then.	
Geography	
I know the location of a local castle and can identify it on a map.	
I know that castles were often built near specific physical geographical features.	
Art	
I know how to use weaving and plaiting.	
I know how to join materials by stitching.	
D.T	
I know the importance of good hygiene when working with food.	
I know how to use the skills of chopping, mashing, slicing, peeling and grating to prepare food.	
I know how to make a food product according to specific criteria.	
Music	
I know how to explore timbre.	
I know to explore tempo and perform this using instruments.	
Computer Science: Espresso Coding	
I know how to input precise and unambiguous instructions.	
I know how to create and debug simple programs.	
P.E (Athletic Skills 1)	
I know how to adapt my running for different distances.	
I know how to perform a variety of jumps.	
I know how to adopt the best stance when throwing a frisbee.
