

Year 1 Maths Home Learning

This week we have been comparing amounts using 'greater than >', 'less than <' and 'equal to =' symbols.

You can choose to draw the correct symbol in the box or simply use the correct word and discuss the sentence with a grown up.

Remember we read it like a number sentence from left to right.

We have enjoyed playing this game in class. Here is the link for the game below! <https://www.starfall.com/h/numbers/>
