

Year 1 Maths Home Learning Challenge

Friday 8th November 2024

This week we have been solving addition problems and using a number line to count on...

$$5 + 2 = 7$$

I can count on from 5. I started at 5 and then counted on 2 more ... 6 ... 7.

Activity 1:

Find the total number of dogs.

$$\square + \square = \square$$

Activity 2:

How many pencils altogether?

$$\square + \square = \square$$

Activity 3:

There are 6 eggs in the egg box and 2 eggs in the egg cups. How many eggs altogether?

$$\square + \square = \square$$

There are some new maths games to enjoy on Bug Club.

Pesky Pests

Marching Madness

Balloon Pop
