

Year 1 Maths Home Learning

This week we have been:
-finding number bonds to 10
-adding together
-adding more

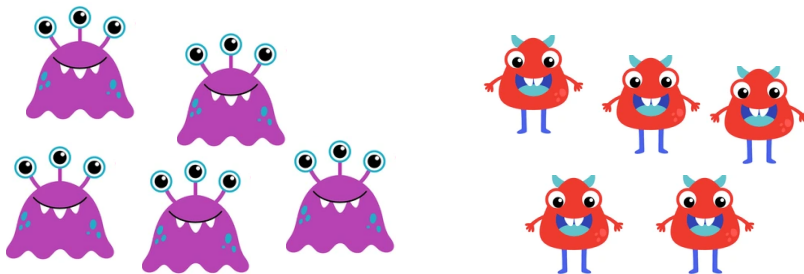

Add together

$\square + \square = \square$

$\square + \square = \square$

$\square + \square = \square$

Solve the addition calculations below:

$8 + 2 =$

$2 + 4 =$

$7 + 3 =$

$5 + 5 =$

$9 + 0 =$

$6 + 3 =$

$4 + 5 =$

$7 + 2 =$
