

Year 1 Maths Home Learning

This week we have been:

-telling subtraction stories and writing number sentences to match

Can you tell subtraction stories to match each picture? Write the number sentences to match.

First there were 7 frogs.
Then 2 frogs jumped away.
There are 5 frogs left.

$$7 - 2 = 5$$

First there were ___ apples.
Then ___ apples rolled away.
There are ___ apples left.

First there were ___ toy elephants.
Then ___ toy elephant broke.
There are ___ toy elephants left.

First there were ___ presents.
Then ___ presents got lost.
There are ___ presents left.
