

Year 1 Maths Home Learning

This week we have been learning about:
—fact families

Have a go at writing four number sentences to match each part-whole model to make a fact family. Remember you need two addition number sentences and two subtraction number sentences.

A purple house-shaped diagram with a green plus sign on the left and a purple minus sign on the right. The roof contains the number 10, with lines connecting it to the numbers 4 and 6. Below the roof are four empty number sentences for practice:

$$\square + \square = \square$$
$$\square + \square = \square$$
$$\square - \square = \square$$
$$\square - \square = \square$$

A green house-shaped diagram with a green plus sign on the left and a purple minus sign on the right. The roof contains the number 7, with lines connecting it to the numbers 2 and 5. Below the roof are four empty number sentences for practice:

$$\square + \square = \square$$
$$\square + \square = \square$$
$$\square - \square = \square$$
$$\square - \square = \square$$

A red house-shaped diagram with a green plus sign on the left and a purple minus sign on the right. The roof contains the number 5, with lines connecting it to the numbers 4 and 1. Below the roof are four empty number sentences for practice:

$$\square + \square = \square$$
$$\square + \square = \square$$
$$\square - \square = \square$$
$$\square - \square = \square$$

A pink house-shaped diagram with a green plus sign on the left and a purple minus sign on the right. The roof contains the number 7, with lines connecting it to the numbers 4 and 3. Below the roof are four empty number sentences for practice:

$$\square + \square = \square$$
$$\square + \square = \square$$
$$\square - \square = \square$$
$$\square - \square = \square$$
